

REMARKS

Applicants' undersigned attorney thanks the Examiner for her comments. In response to the Restriction Requirement, Applicants elect Group I (Claims 1-13) for further prosecution, without traverse. Applicants have added new Claims 32-45, which are believed to fall within the scope of Group I.

Applicants wish to point out that new Claims 33, 40 and 45 might also fall within the scope of Group III. Applicants leave it to the Examiner's discretion whether or not to consider these claims as part of Group I. Applicants believe that consideration of Claims 33, 40 and 45 is appropriate because a) they depend from claims in Group I, and b) they only recite one additional process step. Accordingly, consideration of these claims as part of Group I should not present undue burden.

Respectfully submitted,
